

It is important that we communicate our pricing strategy to our valued customers. The current operating landscape for any business is under assault on every front. Our model has always been to provide the finest quality taxidermy art in tandem with excellent service. This is achieved by employing talented artisans and supporting staff.

In our effort to provide sustainable incomes for our staff, and cope with crippling inflated costs on all operating expenses, we are forced to raise our prices.

The prices posted will be effective August 1, 2022. Prices are subject to change. Please contact us for additional pricing of species not listed.

Thank you for your continued patronage and understanding.
